

Make your Ohio income tax payments electronically!

The Department has an easy, secure, and free option for you to make payments using the “Guest Payment” feature on our website.

If you are:

- An individual who pays their Ohio income tax payments by paper check, OR
- A tax preparer who generates payment vouchers/coupons for your clients to attach to their paper check to pay their IT 1040 or SD 100 return payments, or their Ohio income or school district income tax estimated payments

Then make your **SECURED** payment using our **EASY** and **FREE** service by:

- Visiting the Department’s “Guest Payment” feature on our website at: **tax.ohio.gov/pay**
- Following the prompts to enter your specific information (name, SSN, bank routing and account number, payment type, etc.)

Benefits of the “Guest Payment” feature:

- Safely, and securely pay your Ohio tax
- Instant confirmation your payment has been received by the Department
- Never miss an estimated payment with prescheduled payments
- Eliminate the need to search for the correct payment voucher/coupon
- Save money on postage required to mail a paper check
- It’s as easy as 1, 2, free!
